**INDUSTRIAL ACTION**

Dear Parents and Children

I regret to inform you that following a risk assessment as a result of the proposed industrial action by the teaching unions/associations and the public sector workers union UNISON that the **school will be closed to pupils** on Wednesday 30<sup>th</sup> November.

It is expected that the industrial action will affect most schools in the country so this school is by no means unique in the local, regional or national picture.

Currently the industrial action will be for **one day**.

Some members of the school staff may be asked to report for work as usual in order to fulfil the terms and conditions of their employment but this is not yet clear.

This is how the situation stands as of today. If there was to be any change in terms of the action being withdrawn or changed I will let you know as soon as possible.

Yours sincerely

D Gerrard – Head Teacher.

M Varnom – Chairman of Governors
