Dear Parents

The very popular Adrian Bowden Travelling Science Show will be visiting school on Thursday 20 October. The theme will focus on 'Fantastic Forces' for the Junior children and 'Light and Sound' for the infant children. The day which will be both educational and entertaining will focus on making science fun and exciting and encouraging the children to develop an interest in the subject as a whole. The event will start with a session designed for infants (not appropriate for Nursery class) followed by one for the junior children. If you wish your child/children to take part will you **please complete the attached 'tear off' slip and return it to school no later than Wednesday 19 October. The cost is £1.50 per child.**

✂.....

TEAR OFF

I would like my child/children to attend the Adrian Bowden science event on Thursday 20 October.

I enclose\* ----- in payment.
