## Parents' (Target Setting) Evenings – 19<sup>th</sup> & 20<sup>th</sup> OCTOBER 2011

We will be holding Parents' Evenings for all classes on Wednesday and Thursday next week 19<sup>th</sup> and 20<sup>th</sup> October. For Nursery this will take the form of a drop in session/open evening. (see separate letter) As you will see there are a few morning/afternoon 'slots' in some of the classes on Wednesday. This year there will be a structured focus for the meetings: target setting for your children, progress so far and looking at how they have settled into their new class. We are going to try to stick rigidly to the appointment times allocated and therefore any other issues that arise that demand longer than the allocated time will have to be transferred to another appointment with the teacher on a separate occasion. This is obviously to try and prevent long delays which parents have encountered in the past due to some appointments taking as long as twenty or more minutes.

Please fill in the following slip by ticking the box when you would prefer an appointment (no guarantees, I'm afraid) and then please list all other children in your family and their class. If you feel flexible you may tick more than one box. Please **do not** tick a box when it is shaded. You should fill in a return slip for each of your children and return it to their class teacher. Thank you.

For those parents who do not return a slip an appointment time will be allocated for your child fitting in with spaces left available to the teacher.

### CRECHE AVAILABLE IN ICT SUITE
